The Coordinating Committee of the ESIL-SEDI Interest Group on International Biolaw has the pleasure to inform you about the Pre-conference Interest Group Session “**INTERNATIONAL BIOLAW AND UNIVERSALITY: THE ROLE OF INTERNATIONAL ORGANIZATIONS AND INTERNATIONAL COURTS ON THIS FIELD**” that will take place in Manchester on 13 September 2018, from 9:00 to 12:15. This international workshop is focused on the relationship between International Biolaw and Universality. This will take into account the role played by International Organizations (universal and/or regional) and International Courts, trying to develop certain aspects related to International Biolaw. This event will try to contribute to build bridges between some ESIL-SEDI Interest Groups dealing with common fields of interest.
